

NEW AGE CLASSICS FOR HIRE

FANS OF Nineties performance cars can now enjoy some of the best new age classics, with Club GT. It has a Ferrari F355, Porsche 996 GT3, Lotus Elise Sport 160, Honda NSX and Lancia Delta Integrale available for club members' use. You pay £250 to join, then £3750 per year, which buys you points to exchange for time in the cars. Club GT's Chris Burbidge says: 'We chose the cars primarily for driver appeal, although some also happen to be quite rare and difficult to find. The majority are not available from other clubs or hire companies.'

Club GT is based in Marylebone, London. For details see: www.clubgt.co.uk or email: contact@clubgt.co.uk
