

GT-R AT CLUB GT

London-based supercar club Club GT has taken delivery of a Nissan GT-R, making it the first club of this sort in the country to offer its members access to the stunning super coupé. If you want to try out our reigning Performance Car of the Year, Club GT could have the answer, because new members are being offered a free weekend in the GT-R. The club's other cars include Lamborghini's Gallardo, Ferrari's 550 and Aston Martin's Vanquish, among many others. Through the club, members enjoy an average of 30 days a year in some of the finest supercars without the worry of depreciation, running costs and insurance.
