CLUBGT COMPETITION

In the last issue of V-ZINE [seven] we told you all about supercar sharing clubs. If you want to drive a supercar but don't fancy footing the bills, then V-ZINE has the competition of your dreams. Exclusive to Shell V-Power Club members, we are offering one lucky reader free membership to CLUBGT, the performance car and supercar club, plus 1000 complimentary points. So if you want to spend a long weekend cruising in a V12-engined Ferrari 550 Maranello, or would prefer a blast from the past with the Lancia Delta HF Integrale, becoming a member of CLUBGT is essential (see the full list of cars at www.clubgt.co.uk). CLUBGT also provides a full day's driver training course, to make sure that its beautiful cars – and beautiful members – stay that way. Like the sound of sharing a fleet of supercars? Then answer the question on the right – and good luck!

Which Lancia does CLUBGT have on its fleet?

Winner will be chosen at random. Email v.zine@redwoodgroup.net with the subject CLUBGT Draw, or send a postcard entry marked CLUBGT Draw, V-ZINE, 7 St Martin's Place, London, WC2N 4HA. Closing date is 5 October 2009. (See Terms & Conditions for more information.)
